To Whom it May Concern

**Re: Spectrum, 622 Lutwyche Rd, Lutwyche Qld Australia**

---

We engaged Jenni Gillard as the lead lighting designer for the above project. She was responsible for and managed all aspects of the lighting design solution.

Jenni has incorporated many interesting and innovative lighting design solutions that will set this building apart from similar residential projects. The project was successfully completed.

Yours sincerely

**Greg Coghlan**  
**Construction Manager**
